# Joy of Giving

As a Homemaker Club, we participate in the "Joy of Giving" drive. We collect gift items throughout the year for the elderly residing in local nursing homes. **We are still collecting sweatshirts any size; plain with no graphics, basic colors.**

Beginning this month, we will begin collecting for military stationed overseas. These items are boxed & sent at the end of the year.

The official collection item for June is personal-sized snacks (no chocolate) or individual powder drink mixes. Please bring these items to the June meeting.

## Military Missions

has asked for pillowcases this year. Any fabric colors, not just military. Liz Kingsland is planning a cutting day in July to make pillowcase kits to hand out at meetings. If you want to make a few kits, the measurements are: 9" x WOF, 27"x WOF, 2" by WOF. WOF = Width of fabric. Full directions for the "burrito method" pillowcase can be found at: <https://www.seasonedhomemaker.com/pillowcase-tutorial-burrito-style/> . .

# THE GINA FUND

*By Eve Adams*

Many of you have been asking about what we are calling the Gina Fund, so I hope this will provide some insight into who Gina was. The Fund was named in honor of Gina Andreoli, a long time member of the guild and former board member for KHQS. When Gina retired from nursing in 2017, she became more involved with quilting and the guild. She was a very independent lady with a great attention to detail. Gina and I served as co-presidents of QGBG for the 2018-2019 term, and we volunteered to serve in that role again for the next term. Unfortunately, Gina passed away in May of 2020 during that second term as co-Presidents. Because of Covid restrictions, the family was unable to hold an in-person celebration of life. Our guest speaker for Quilter's Day Out that year was kind enough to donate one of her quilts for a drawing and the funds raised from that became the start of the Gina Fund. She was always a great believer in teaching others, which is why we think she would appreciate this scholarship fund.

Note: Please contact Eve if you are interested in drafting the criteria for the scholarships and working to administer the fund.

## Community Quilts

**The Jelly Roll Race on May 11th was a roaring success! The winners of the race were Ashley Nguyen, Sierra Smith & Barbara Farrell.**

Fran O'Conner reports: All twenty tops from our jelly roll race have been distributed for quilting and many have already been finished. Thanks again to those who participated and, hopefully, enjoyed the challenge. The quilts will go to the Taylor Manor nursing home. Pat Dillon and I will continue to have a table at each monthly meeting if you have anything to drop off for us, or if you'd like to pick up a precut quilt top kit or a "Block in a Bag" (precut material to make three Rail Fence eight inch quilt squares). Your time and kindness are much appreciated.

**Challenge Quilt**—Names will be drawn at the June meeting to form groups for the Challenge Quilt teams. Teams are encouraged to meet after the general meeting to plan their quilts. These quilts will be displayed at the January meeting.
